Students who meet the application requirements for the Intense Program and are selected and admitted jointly by the school and collaborating enterprise will receive industry-academia scholarships funded by the National Development Fund upon approval. However, students who have already received other government scholarships in Taiwan are not eligible to apply for this scholarship again. The details regarding the subsidy items, maximum amount, obligations of recipients, and repayment principles are as follows:

#### 一、補助項目及額度上限 Subsidy Items and Maximum Amounts

- (一) 初次來臺的相關必要行政費用：採一次性補助，包含來臺前的健康檢查費用、簽證費用及文書驗證費用，以地水分列補助上限為：新南向區域國家及其他國家上限新臺幣 1 萬元、歐美區域國家上限 2 萬 5,000 元(核實報支)。

- (三) 來臺單程機票：採一次性補助，機票費用以來臺最直接航程之經濟艙單程機票核實請領，新南向區域國家上限為 9,000 元、歐美區域國家上限 3 萬 5,000 元(核實報支)。學校應請學生檢據核銷，並以收據開立當日之臺灣銀行美金對新臺幣匯率計算。

One-way airfare to Taiwan: Provided as a one-time subsidy, the airfare cost is verified based on the economy class one-way ticket for the most direct flight to Taiwan. The subsidy limits are NT\$9,000 for countries in the New Southbound Policy region and NT\$35,000 for countries in Europe and America (subject to verification and reimbursement). The school shall require students to provide receipts for verification, and calculate the reimbursement amount based on the Taiwan Bank's USD to New Taiwan Dollar exchange rate on the day the receipt was issued.

- (四) 註冊入學後最多 2 年的學雜費：

2. 學生入學第一年給予學雜費補助，第二年華語文能力測驗(TOCFL) 中文授課班級者需達 B1 級(含)以上、英文授課班級者聽、讀 2 項皆須達 A2 級(含)以上，且需通過學校與合作企業審查成績與表現後，擇優核給學雜費補助。

Subsidies for tuition and miscellaneous fees are granted based on the students' academic performance and evaluation by the school and collaborating enterprise.

3. 學校應針對學生學習成績及表現訂定具體明確之審查機制；未獲續領產學獎助金之學生，學校應加強學生課業輔導，並可循其他管道提供獎助金，以協助學生完成學業。

The school should establish clear and specific review mechanisms based on student learning achievements and performance. Students who are not eligible for continued industry-academia scholarships should receive enhanced academic guidance from the school and may be provided with

scholarships through other channels to assist them in completing their studies.

## 二、領取學生義務 Obligations of Recipients:

1. 屬不可歸責於學生之原因，無須繳還產學獎助金：

No repayment of industry-academia scholarships is required under the following circumstances not attributable to the student:

(1) 原合作企業因營運調整，於學生在學期間停止提供生活津貼，又學生經學校媒合仍無法覓得其他企業願意續予補助生活津貼，致學生中途退出專班者。

The original collaborating enterprise discontinues providing living allowances to students during their studies due to operational adjustments. Despite the school's efforts to arrange alternative support, the student still cannot secure another enterprise willing to continue providing the living allowance, resulting in the student withdrawing from the program.

(2) 原合作企業因營運調整，於學生畢業時無職缺可聘用，又學生經學校進行就業輔導及媒合其他企業仍無法覓得適合企業聘僱者。

The original collaborating enterprise has no job vacancies available for students upon graduation due to operational adjustments. Despite the school's job counseling and efforts to arrange alternative employment, the student still cannot find suitable employment.

Despite the school's job counseling and efforts to arrange alternative employment, the student still cannot find suitable employment.

(4) 學生死亡、因重大疾病或意外事故不能繼續就學或就業，經衛生福利部新制醫院評鑑合格之教學醫院以上層級，開立認定無法繼續就學或就業證明者，或因事故致家庭巨變無法繼續就學或就業，經學校查證屬實者。

The student is unable to continue studying or working due to death, major illness, or accident, as certified by a teaching hospital accredited by the Ministry of Health and Welfare, or due to a significant family event rendering them unable to continue studying or working, as verified by the school.

2. 屬可歸責於學生之原因，應繳還產學獎助金：

If the reason for withdrawal or failure to fulfill employment obligations can be attributed to the student, the industry-academia scholarships must be repaid.

(1) 就學期間因個人因素中途退出專班，如申請轉學、轉系、休學返國，經學校輔導後仍放棄繼續就讀專班、或經學校依學則退學、開除學籍等情形，學生應全額返還已領之產學獎助金。

If a student withdraws from the Intense Program midway due to personal reasons, such as applying for transfer to another school, changing majors, taking a leave of absence, or returning to their home country, and despite counseling from the school, they still choose to discontinue their studies in the program or are expelled from the program according to school regulations, the student must repay the industry-academia scholarships received in full.

(2) 學生學習表現不佳，未通過學校及企業評核標準，並經學校輔導後仍無改善且依學則處以退學、開除學籍等情形，學生應全額返還已領之產學獎助金。

If a student's academic performance is poor, does not meet the evaluation criteria of the school and the enterprise, and despite counseling from the school, they show no improvement and are expelled

or have their enrollment revoked according to school regulations, the student must repay the industry-academia scholarships received in full.

- (3) 學生畢業後選擇不至合作企業或相關產業領域就業，並經學校輔導後仍無改善者，學生應全額返還已領之產學獎助金。

If a student chooses not to work for the collaborating enterprise or in the related industry field after graduation, and despite counseling from the school, they show no improvement, the student must repay the industry-academia scholarships received in full.

- (4) 學生畢業就業後違反公司規定被依法終止勞動契約，並經學校輔導後仍無改善者，學生應依未就業之月數比例返還產學獎助金；不滿一月者，以一月計。

If a student violates the regulations of the enterprise after graduation and is lawfully terminated from their employment contract, and despite counseling from the school, they show no improvement, the student must repay the industry-academia scholarships received based on the proportion of months they were not employed; for less than one month, one month's repayment is required.

- (5) 學生於合作企業就業期間未滿受領產學獎助金年限：應依其未就業之月數比例繳還產學獎助金；不滿一月者，以一月計。

If a student does not complete the duration for receiving industry-academia scholarships during their employment at the collaborating enterprise, they must repay the industry-academia scholarships received based on the proportion of months they were not employed; for less than one month, one month's repayment is required.

- (二) 學生畢業後履行就業義務期間，應留臺於國內合作企業任職，不得由合作企業外派至國外分公司任職，或任職於海外臺商企業。如有前述未於國內就業情形，應依未於國內就業之月數比例返還已領之產學獎助金；不滿一月者，以一月計。

During the period of fulfilling the employment obligation after graduation, students are required to work domestically at the collaborating enterprise in Taiwan. They are not allowed to be dispatched by the collaborating enterprise to work at overseas branches or to work for overseas Taiwanese-owned businesses. If a student fails to fulfill the employment obligation domestically, they must repay the industry-academia scholarships received based on the proportion of months they were not employed domestically; for less than one month, one month's repayment is required.
